RECOMMENDED ALL-SHARE ACQUISITION

of

evoke plc

by

Bally's Intralot S.A.

to be implemented by means of a scheme of arrangement under Part VIII of the Gibraltar Companies Act 2014

On 5 June 2026, the board of Bally's Intralot S.A. ("**Intralot**") and the board of evoke plc ("**evoke**") announced that they had reached an agreement on the terms and conditions of a recommended all-share acquisition by Intralot of the entire issued, and to be issued, ordinary share capital of evoke (the "**Acquisition**"). The Acquisition is intended to be effected by means of a scheme of arrangement between evoke and evoke Shareholders under Part VIII of the Gibraltar Companies Act 2014.

Publication of the Scheme Document

evoke is pleased to announce that the scheme document containing the full terms and conditions of the Acquisition (the "**Scheme Document**"), together with the related Forms of Proxy, Forms of Direction, Forms of Instruction, GREEN Form of Election, PINK Form of Election and YELLOW Form of Nomination is being published and sent today to evoke Shareholders and, for information only, to persons with information rights and participants in the evoke Share Plans.

The Scheme Document will be made available on evoke's website at https://www.evokeplc.com/investors/corporate-transactions/proposed-acquisition-by-ballys-intralot. A copy of the Scheme Document has also been submitted to the National Storage Mechanism and will shortly be available for inspection at: https://data.fca.org.uk/#/nsm/nationalstoragemechanism.

Terms defined in the Scheme Document have the same meanings in this announcement.

Notices of the Court Meeting and General Meeting

As described in the Scheme Document, to become effective the Scheme will require, amongst other things: (i) the approval of a majority in number of Scheme Shareholders present and voting (and entitled to vote), either in person or by proxy at the Court Meeting (or any adjournment thereof), representing not less than 75 per cent. in value of the Scheme Shares voted by such Scheme Shareholders; (ii) the passing of the Special Resolution by the requisite majority of evoke Shareholders at the General Meeting (or any adjournment thereof); and (iii) the subsequent sanction of the Scheme by the Court. The Scheme is also subject to the satisfaction or waiver of the other Conditions and further terms that are set out in the Scheme Document.

Notices of the Court Meeting and the General Meeting, both of which will be held at the offices of Latham & Watkins (London) LLP at One Leadenhall, 1 Leadenhall Street, London EC3V 1AA, United Kingdom on 17 August 2026, are set out in the Scheme Document. The Court Meeting will commence at 10.00 a.m. and the General Meeting at 10.15 a.m. (or, if later, as soon as the Court Meeting has concluded or been adjourned).

It is important that, for the Court Meeting in particular, as many votes as possible are cast, so that the Court may be satisfied that there is a fair and reasonable representation of the opinion of Scheme Shareholders. Scheme Shareholders and evoke Shareholders are therefore strongly encouraged to submit proxy appointments and instructions for the Court Meeting and the General Meeting using any of the methods set out in the Scheme Document as soon as possible and, in any event, by no later than 10.00 a.m. on 13 August 2026 in the case of the Court Meeting and by no later than 10.15 a.m. on 13 August 2026 in the case of the General Meeting (or, in the case of any adjournment, not later than 48 hours (excluding UK non-working days) before the fixed time for the holding of the adjourned meeting).

Holders of evoke Depositary Interests and evoke Nominee Holders are also strongly encouraged to submit voting directions and instructions for the Court Meeting and the General Meeting using any of the methods set out in the Scheme Document as soon as possible and, in any event, by no later than 10.00 a.m. on 12 August 2026 in the case of the Court Meeting and by no later than 10.15 a.m. on 12 August 2026 in the case of the General Meeting (or, in the case of any adjournment, not later than 72 hours (excluding UK non-working days) before the fixed time for the holding of the adjourned meeting).

Recommendation

The evoke Directors, who have been so advised by Morgan Stanley and Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice, Morgan Stanley and Rothschild & Co have taken into account the commercial assessments of the evoke Directors.

Accordingly, the evoke Board unanimously recommends that evoke Shareholders vote (or procure voting) in favour of the Scheme at the Court Meeting and the Special Resolution at the General Meeting, as those evoke Directors who hold or are beneficially entitled to evoke Shares have irrevocably undertaken to do in respect of their (and their connected persons') evoke Shares.

In deciding whether to elect for the Cash Alternative Offer, evoke Shareholders should have regard to their own particular circumstances. In making this decision, the evoke Directors consider that evoke Shareholders should take into account whether they prefer the immediate liquidity of the Cash Alternative Offer as opposed to economic exposure to New Intralot Shares.

evoke Shareholders should read the Scheme Document in its entirety before making a decision with respect to the Scheme.

Timetable

The Scheme Document contains an expected timetable of principal events relating to the Scheme, which is also set out in the Appendix to this announcement. The hearing of the Court to sanction the Scheme is currently expected to be held in the final quarter of 2026 or first quarter of 2027, subject to the prior satisfaction or waiver of the other Conditions set out in the Scheme Document.

If any of the key dates set out in the timetable change, evoke will give notice of this change by issuing an announcement through a Regulatory Information Service and by making such announcement available on evoke's website at https://www.evokeplc.com/investors/corporate-transactions/proposed-acquisition-by-ballys-intralot.

Accordingly, evoke Shareholders are reminded that the Panel does not have responsibility, in relation to evoke, for ensuring compliance with the Code and is not able to answer any evoke Shareholders' questions in that regard.*

Unless otherwise determined by Intralot, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. The availability of the Acquisition to evoke Shareholders who are not resident in the United Kingdom or Gibraltar may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom or Gibraltar should inform themselves of, and observe, any applicable legal and regulatory requirements.

evoke Shareholders should be aware that the transaction contemplated herein may have tax consequences and that such consequences, if any, are not described herein. evoke Shareholders are urged to consult with appropriate legal, tax and financial advisers in connection with the consequences of the Acquisition on them.

Notice to U.S. evoke Shareholders

The Acquisition relates to shares of a Gibraltar company which are admitted to trading on a UK regulated market, is subject to Gibraltar and UK procedural and disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under the company law of Gibraltar. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Scheme will be subject to Gibraltar procedural and disclosure requirements and practices, which are different from the procedural and disclosure requirements of United States tender offer and proxy solicitation rules.

The receipt of consideration by a US holder for the transfer of its Shares pursuant to the Scheme may have tax consequences in the United States. Each evoke Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state, federal and local, as well as overseas and other, tax laws.

Financial information relating to evoke included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. If Intralot exercises its right to implement the acquisition of the evoke Shares by way of an Offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations.

To the extent permitted by applicable law, normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Intralot or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of evoke outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

It may be difficult for US evoke Shareholders to enforce their rights and claims arising out of the US federal securities laws, since Intralot and evoke are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US evoke Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The New Intralot Shares have not been, and will not be, registered under the US Securities Act, or applicable state securities laws. Accordingly, the New Intralot Shares may not be offered, sold, resold, *taken up, transferred or delivered, directly or indirectly, in the United States absent registration or an available exemption or a transaction not subject to the registration requirements of the US Securities Act. Accordingly, the New Intralot Shares will not be issued to evoke Shareholders unless Intralot determines that they may be issued pursuant to an exemption from, or in a transaction that is not subject to, the registration requirements of the US Securities Act as provided by Section 3(a)(10) of the US Securities Act or another available exemption.*

The New Intralot Shares are expected to be issued in reliance on the exemption from the registration requirements of the US Securities Act set forth in Section 3(a)(10) thereof on the basis of the approval of the Court, and similar exemptions from registration under applicable state securities laws. Section 3(a)(10) of the US Securities Act exempts the issuance of any securities issued in exchange for one or more bona fide outstanding securities from the general requirement of registration under the US Securities Act where the terms and conditions of the issuance and exchange of such securities have been approved by a court of competent jurisdiction that is expressly authorised by law to grant such approval, after a hearing upon the substantive and procedural fairness of the terms and conditions of such issuance and exchange at which all persons to whom it is proposed to issue the securities have the right to appear and receive timely and adequate notice thereof. The Court is authorised to conduct a hearing at which the substantive and procedural fairness of the terms and conditions of the Scheme will be considered. For the purposes of qualifying for the exemption provided by Section 3(a)(10) of the US Securities Act, evoke will advise the Court before the hearing that the Court's approval of the Scheme will constitute the basis for an exemption from the registration requirements of the US Securities Act, pursuant to Section 3(a)(10).

THE SCHEME AND THE NEW INTRALOT SHARES TO BE ISSUED IN CONNECTION THEREWITH HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC OR ANY OTHER SECURITIES REGULATORY AUTHORITY OF ANY STATE OF THE UNITED STATES, NOR HAS THE SEC OR ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OF THE UNITED STATES PASSED UPON THE FAIRNESS OR THE MERITS OF THIS TRANSACTION OR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS ANNOUNCEMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by evoke or Intralot (or their respective group companies), contain statements which are, or may be deemed to be, "forward-looking statements". Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Intralot and evoke shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement relate to Intralot and evoke's future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects", "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Intralot's, evoke's or any member of the evoke Group's or any member of the Intralot Group's operations and potential synergies resulting from the Acquisition;

and (iii) the effects of global economic conditions and governmental regulation on Intralot's, evoke's or any member of the evoke Group's or any member of the Intralot Group's business.

Although Intralot and evoke believe that the expectations reflected in such forward-looking statements are reasonable, neither Intralot nor evoke (nor any of their respective associates, directors, officers or advisers) can give any assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: (i) the ability to complete the Acquisition; (ii) the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; (iii) changes in the global, political, economic, business and competitive environments and in market and regulatory forces; (iv) changes in future exchange and interest rates; (v) changes in tax rates; (vi) future business combinations or disposals; (vii) changes in general economic and business conditions; (viii) changes in the behaviour of other market participants; (ix) changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Intralot and evoke operate; (x) weak, volatile or illiquid capital and/or credit markets; (xi) changes in the degree of competition in the geographic and business areas in which Intralot and evoke operate; (xii) changes in laws or in supervisory expectations or requirements; and (xiii) any epidemic or pandemic or disease outbreak or global health crisis. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither evoke nor Intralot, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to Intralot, evoke, any member of the Intralot Group or the evoke Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

evoke and Intralot (and their respective associates, directors, officers or advisers) expressly disclaim any intention or obligation to update or revise any forward-looking statements, other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

Disclosure Requirements

The Code does not apply to evoke as it is registered in Gibraltar. Accordingly, neither evoke Shareholders, Intralot Shareholders nor any other person dealing in evoke Shares or Intralot Shares are required to disclose any of their dealings under the provisions of the Code. However, evoke Shareholders and persons considering the acquisition or disposal of any interest in evoke Shares are reminded that they are subject to the Disclosure Guidance and Transparency Rules made by the FCA under Part VI of FSMA and other applicable regulatory rules regarding transactions in evoke Shares.
