RECOMMENDED ALL-SHARE ACQUISITION

of

evoke plc

by

Bally's Intralot S.A.

to be implemented by means of a scheme of arrangement under Part VIII of the Gibraltar Companies Act 2014

On 5 June 2026, the board of Bally's Intralot S.A. ("**Intralot**") and the board of evoke plc ("**evoke**") announced that they had reached an agreement on the terms and conditions of a recommended all-share acquisition by Intralot of the entire issued, and to be issued, ordinary share capital of evoke (the "**Acquisition**").

The Acquisition is being effected by means of a scheme of arrangement between evoke and evoke Shareholders under Part VIII of the Gibraltar Companies Act 2014. The scheme document containing the full terms and conditions of the Acquisition was published or made available to Scheme Shareholders on 21 July 2026 (the "**Scheme Document**").

Unless otherwise defined, capitalised terms used in this announcement have the meanings given to them in the Scheme Document.

Results of Intralot General Meeting

evoke and Intralot are pleased to announce that the Intralot General Meeting to consider and, if thought fit, pass the Intralot Resolution and such other resolutions as are considered necessary in connection with the Acquisition (the "**Resolutions**"), was held today and the requisite majority of Intralot Shareholders voted (either in person or by proxy) to pass the Resolutions to, amongst other things, authorise the board of Intralot to increase the share capital of Intralot and amend the articles of association of Intralot.

The table below sets out the results of the Intralot General Meeting.

Resolution	FOR		AGAINST		TOTAL	BLANK/ ABSTENTION	
	No. of valid votes	% of valid votes	No. of valid votes	% of valid votes	No. of valid votes	No.	%
Granting authorisation to the board of directors to increase the share capital of Intralot	1,355,723,610	99.585%	5,656,262	0.415%	1,361,379,872	0	0%
Amendment of par. 2 of article 18 of Intralot's Articles of Association	1,361,372,036	99.999%	7,835	0.001%	1,361,379,872	1	0%
Codification of Intralot's Articles of Association	1,361,372,036	99.999%	7,835	0.001%	1,361,379,872	1	0%

The Intralot General Meeting was lawfully attended by 102 Intralot Shareholders representing 1,361,379,872 common registered shares out of a total of 1,867,802,694 common registered shares, i.e. percentage 72.89% of the share capital of Intralot. It is noted that Intralot holds 22,998,878 own shares which, according to article 50 of law 4548/2018 of Greece, do not have voting rights and are not calculated for the formation of a quorum.

Next steps and timetable

The outcome of today's meeting means that Condition 3(a)(i) (as set out in Part III of the Scheme Document) has been satisfied.

evoke and Intralot also note the announcement made on 17 August 2026 confirming that the requisite majorities of Scheme Shareholders approved the Scheme at the Court Meeting and the requisite majority of evoke Shareholders passed the Special Resolution required to implement the Scheme at the General Meeting.

A number of the Conditions relating to antitrust and regulatory approvals have also now been satisfied and it remains the expectation that the hearing of the Court to sanction the Scheme will be held in the final quarter of 2026 or first quarter of 2027, subject to the prior satisfaction or waiver of the other Conditions set out in the Scheme Document. If the Scheme receives the sanction of the Court at that time, the Scheme is expected to become effective in the final quarter of 2026 or first quarter of 2027.

The expected timetable of principal events for the implementation of the Scheme remains as set out on pages 2 to 4 of the Scheme Document. The dates are indicative only and are subject to change. If any of the key dates and/or times set out in the expected timetable change, evoke will give notice of such change by issuing an announcement through a Regulatory Information Service and by making such announcement available on evoke's website at <https://www.evokeplc.com/investors/corporate-transactions/proposed-acquisition-by-ballys-intralot>.

Reminder to complete and return YELLOW Form of Nomination

As set out in the Scheme Document, evoke Shareholders who are entitled to receive New Intralot Shares under the Scheme are reminded that they will be required to nominate a DSS Account into which the New Intralot Shares will be deposited following the Effective Date.

To do so, evoke Shareholders must complete and return the YELLOW Form of Nomination accompanied by a print-out of their DSS Account particulars using the prepaid envelope marked with a yellow flash provided (if sending from within the UK) to MUFG Corporate Markets, at MUFG Corporate Markets, Corporate Actions, Central Square, 29 Wellington Street, Leeds LS1 4DL, United Kingdom as soon as possible and, in any event, so as to be received by no later than 6.00 p.m. on the Nomination Return Date (which is expected to be the last Business Day prior to the Effective Date) if such evoke Shareholder wishes to receive the New Intralot Shares within 14 days of the Effective Date.

evoke Shareholders who do not currently have a DSS Account must set up such a DSS Account prior to completing and returning the YELLOW Form of Nomination as set out above.

evoke Shareholders who wish to make a Cash Alternative Offer Election are reminded that they should still complete and return the YELLOW Form of Nomination in accordance with the instructions printed thereon, as they may receive part of their consideration in New Intralot Shares in the event that the Cash Alternative Offer Cap is exceeded.

Please note that MUFG Corporate Markets cannot provide advice on the merits of the Acquisition nor give any financial, legal or tax advice and calls may be recorded and monitored for security and training purposes.

If an evoke Shareholder or their broker or participant in ATHEXCSD has any questions regarding Intralot or the New Intralot Shares, they should contact Intralot's Investor Relations team by email at evokeschemeenquiries@ballysintralot.com or by telephone on +44 (0) 207 478 2100.

Accordingly, evoke Shareholders are reminded that the Panel does not have responsibility, in relation to evoke, for ensuring compliance with the Code and is not able to answer any evoke Shareholders' questions in that regard.

evoke Shareholders should be aware that the transaction contemplated herein may have tax consequences and that such consequences, if any, are not described herein. evoke Shareholders are urged to consult with appropriate legal, tax and financial advisers in connection with the consequences of the Acquisition on them.

Notice to U.S. evoke Shareholders

The Acquisition relates to shares of a Gibraltar company which are admitted to trading on a UK regulated market, is subject to Gibraltar and UK procedural and disclosure requirements (which are different from those of the US) and is proposed to be implemented under a scheme of arrangement provided for under the company law of Gibraltar. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Scheme will be subject to Gibraltar procedural and disclosure requirements and practices, which are different from the procedural and disclosure requirements of United States tender offer and proxy solicitation rules.

The receipt of consideration by a US holder for the transfer of its Shares pursuant to the Scheme may have tax consequences in the United States. Each evoke Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition

applicable to them, including under applicable United States state, federal and local, as well as overseas and other, tax laws.

Financial information relating to evoke included in this announcement and the Scheme Document has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States. If Intralot exercises its right to implement the acquisition of the evoke Shares by way of an Offer, such offer will be made in compliance with applicable US tender offer and securities laws and regulations.

To the extent permitted by applicable law, normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Intralot or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of evoke outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

It may be difficult for US evoke Shareholders to enforce their rights and claims arising out of the US federal securities laws, since Intralot and evoke are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US evoke Shareholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The New Intralot Shares have not been, and will not be, registered under the US Securities Act, or applicable state securities laws. Accordingly, the New Intralot Shares may not be offered, sold, resold, taken up, transferred or delivered, directly or indirectly, in the United States absent registration or an available exemption or a transaction not subject to the registration requirements of the US Securities Act. Accordingly, the New Intralot Shares will not be issued to evoke Shareholders unless Intralot determines that they may be issued pursuant to an exemption from, or in a transaction that is not subject to, the registration requirements of the US Securities Act as provided by Section 3(a)(10) of the US Securities Act or another available exemption.

The New Intralot Shares are expected to be issued in reliance on the exemption from the registration requirements of the US Securities Act set forth in Section 3(a)(10) thereof on the basis of the approval of the Court, and similar exemptions from registration under applicable state securities laws. Section 3(a)(10) of the US Securities Act exempts the issuance of any securities issued in exchange for one or more bona fide outstanding securities from the general requirement of registration under the US Securities Act where the terms and conditions of the issuance and exchange of such securities have been approved by a court of competent jurisdiction that is expressly authorised by law to grant such approval, after a hearing upon the substantive and procedural fairness of the terms and conditions of such issuance and exchange at which all persons to whom it is proposed to issue the securities have the right to appear and receive timely and adequate notice thereof. The Court is authorised to conduct a hearing at which the substantive and procedural fairness of the terms and conditions of the Scheme will be considered. For the purposes of qualifying for the exemption provided by Section 3(a)(10) of the US Securities Act, evoke will advise the Court before the hearing that the Court's approval of the Scheme will constitute the basis for an exemption from the registration requirements of the US Securities Act, pursuant to Section 3(a)(10).

THE SCHEME AND THE NEW INTRALOT SHARES TO BE ISSUED IN CONNECTION THEREWITH HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC OR ANY OTHER SECURITIES REGULATORY AUTHORITY OF ANY STATE OF THE UNITED STATES, NOR HAS THE SEC OR ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OF THE UNITED STATES PASSED UPON THE FAIRNESS OR THE MERITS OF THIS TRANSACTION OR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS ANNOUNCEMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE.

Forward-looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by evoque or Intralot (or their respective group companies), contain statements which are, or may be deemed to be, “forward-looking statements”. Such forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which Intralot and evoque shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

The forward-looking statements contained in this announcement relate to Intralot and evoque’s future prospects, developments and business strategies, the expected timing and scope of the Acquisition and other statements other than historical facts. In some cases, these forward-looking statements can be identified by the use of forward-looking terminology, including the terms “believes”, “estimates”, “will look to”, “would look to”, “plans”, “prepares”, “anticipates”, “expects”, “is expected to”, “is subject to”, “budget”, “scheduled”, “forecasts”, “synergy”, “strategy”, “goal”, “cost-saving”, “projects”, “intends”, “may”, “will”, “shall” or “should” or their negatives or other variations or comparable terminology. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Intralot’s, evoque’s or any member of the evoque Group’s or any member of the Intralot Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Intralot’s, evoque’s or any member of the evoque Group’s or any member of the Intralot Group’s business.

Although Intralot and evoque believe that the expectations reflected in such forward-looking statements are reasonable, neither Intralot nor evoque (nor any of their respective associates, directors, officers or advisers) can give any assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: (i) the ability to complete the Acquisition; (ii) the ability to obtain requisite regulatory approvals and the satisfaction of other Conditions on the proposed terms and schedule; (iii) changes in the global, political, economic, business and competitive environments and in market and regulatory forces; (iv) changes in future exchange and interest rates; (v) changes in tax rates; (vi) future business combinations or disposals; (vii) changes in general economic and business conditions; (viii) changes in the behaviour of other market participants; (ix) changes in the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Intralot and evoque operate; (x) weak, volatile or illiquid capital and/or credit markets; (xi) changes in the degree of competition in the geographic and business areas in which Intralot and evoque operate; (xii) changes in laws or in supervisory expectations or requirements; and (xiii) any epidemic or pandemic or disease outbreak or global health crisis. Other unknown or unpredictable factors could cause actual results to differ materially from those

expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors.

Neither evoke nor Intralot, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward-looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to Intralot, evoke, any member of the Intralot Group or the evoke Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above.

evoke and Intralot (and their respective associates, directors, officers or advisers) expressly disclaim any intention or obligation to update or revise any forward-looking statements, other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

Disclosure Requirements

The Code does not apply to evoke as it is registered in Gibraltar.
