## Bally's Intralot signs new lottery contract in Greece with Hellenic Lotteries

Athens, May 25, 2026

Bally's Intralot S.A. is pleased to announce the signing of a new contract with Hellenic Lotteries S.A., part of Allwyn Hellas (formerly OPAP), to deploy its industry-leading lottery technology solutions.

Following an international tender, Hellenic Lotteries was recently awarded the exclusive right to operate and manage Greece's state lotteries (passive lotteries and instant games) for a period of 12 years, starting as of May 2, 2026. It is noted that the company also held the previous state lotteries' license for a period of 12 years.

Bally's Intralot has been awarded a contract to seamlessly migrate Hellenic Lottery's existing Bally's Intralot lottery system to its latest technology stack. Specifically, Bally's Intralot will deploy a turnkey lotteries and instant games management solution based on its flagship LotosX Omni ecosystem. Bally's Intralot will continue to support Hellenic Lotteries in delivering games, through its broad retail network while providing for digital integration. The contract covers an initial one-year base period, with the option to either extend annually for up to 3 years, or to continue for the full duration of the Concession.

**Jan Karas, Chairman and CEO of Allwyn Hellas,** said: *"We are pleased to be cooperating with Bally's Intralot, in the new era of Hellenic Lotteries. Ensuring business continuity, revamping and evolving our products, and upgrading customer experience are key pillars of our plans for the new 12-year concession. We look forward to continuing to work with Bally's Intralot on technology solutions that will help us meet customer expectations, offer innovative propositions and drive business, while improving our efficiency, productivity, and responsible operations."*

*"Allwyn Hellas and Hellenic Lotteries are valued long-standing partners and we are honored to renew and strengthen our collaboration"* said **Robeson Reeves, CEO of the Bally's Intralot Group.** *"This agreement reflects the trust placed in our technology, our people, and our long-term commitment to supporting regulated lottery operators. Working closely with Hellenic Lotteries, we aim to deliver a modern, secure, and scalable gaming ecosystem that enables sustainable growth and innovation."*
