INTRALOT Among the Top 10 Most Attractive Employer Brand Winners

INTRALOT featured as one of the best companies to work for in Greece according to the international annual research of Randstad Employer Brand in 2020

June 12th, 2020

INTRALOT is pleased to announce that has been featured as one of the Top 10 most attractive Employer Brands in Greece according to the international annual research Randstad's Employer Brand (REBR) 2020 conducted for a third year in a row. The Top 10 companies are among the 150 largest companies in Greece, that maintain a strong employer image and at the same time offer an inspiring working environment, keeping their workforce satisfied.

REBR is an independent survey with nearly 185,000 participants and 6,136 companies, in 33 countries and focuses on the top largest ones – in terms of the number of people employed. Optimizing over 20 years of successful employer branding insights, REBR measures public opinion regarding the most attractive workplaces and reveals the top criteria of candidates during their search for a job.

"We are honored to be recognized as one of the best companies to work for," said Dr. Chris Dimitriadis, INTRALOT Group CEO. "This recognition is made possible by our most valued ambassadors, INTRALOT employees, and our focus on cutting-edge technology in our product ecosystem that drive our business innovation. Our commitment to a fair and collaborative environment creates a culture where everyone feels they have an equal opportunity to belong, succeed, and build a career."

Operating in over 44 markets worldwide, we enable our people to seek for international career opportunities and develop professional capabilities while exploring new cultural environments. It is worth mentioning that in 2019, in the areas of our employees' professional advancement and personal development, 10% of our people at HQ took a step up in their career, while 102 training programs and more than 3.300 training hours have been provided to leverage their talents.
