INTRALOT Signs Contract Extension in New Zealand until 2025

The company will continue to provide its integrated solution Electronic Monitoring Services (EMS) for Class 4 venues to the Department of Internal Affairs.

September, 11th 2020

INTRALOT announces that its subsidiary in New Zealand, INTRALOT NZ Ltd., has signed a three year contract extension from 2022 to 2025 with a one-year option, with the Department of Internal Affairs (DIA) for the provision of Electronic Monitoring Services to continue offering a comprehensive reporting, accounting, auditing and secure management of the country's Class 4 gaming venues.

EMS was introduced by INTRALOT in March 2007 to track and monitor gaming machine operations in pubs and clubs, ensuring the integrity of games and the accurate financial reporting.

Dr. Chris Dimitriadis, INTRALOT Group CEO stated: "We would like to thank DIA for its continued confidence and trust more than a decade. The extension of our partnership is an endorsement of our successful cooperation in implementing a high-quality operating service performance out of EMS. Our world-class solution, designed according to Gaming Association standards, serves the most demanding regulatory environments and we are committed to continue supporting DIA on establishing a responsible gaming environment for the local player community."
